EMPLOYMENT EXPERIENCE

User Interface Designer, Web Developer · Freelance

August 2019 — Present · Tacoma, WA

Develop bespoke websites and digital assets to enhance online presence for startups. Conduct consultations to understand each unique visual and functionality requirement. Stay up to date on the latest web design trends, incorporating innovative techniques. Optimize websites for usability and accessibility, ensuring an inclusive user experience.

User Interface/Experience Designer · Harvest Profit

February 2018 — March 2019 · Fargo, ND

Crafted high-fidelity prototypes and pixel-perfect mockups for upcoming features. Built comprehensive style library for apps, improving consistency and accessibility. Provided oversight on projects to ensure high-quality deliverables. Presented concepts and experimental interfaces to team members. Unified user experience for software platforms, prioritizing usability and consistency.

Senior Front-End Web Developer · Swanson Health Products

September 2014 — February 2018 · Fargo, ND

Designed mobile search, delivery tracker, one-page checkout, user account, and more. Built internal tools to assist coworkers. Assisted implementing A/B testing, customer support, and SEO features. Helped optimize website for speed, language localization, and accessibility. Balanced numerous stakeholder needs on cross-departmental projects. Performed initial interviews with prospective candidates. Mentored junior developers on code quality, interface design, and other best practices. Coded hundreds of features, bug fixes, and improvements to eCommerce website.

Graphic Designer · Swanson Health Products

June 2013 — September 2014 · Fargo, ND

Created high-quality mockups and prototypes. Developed and designed promotional emails. Designed ad banners, infographics, icons, and web pages. Promoted from Order Fulfillment Associate, beginning with company June 2011.
