

WORK EXPERIENCE

+ NBBJ / Seattle, WA

User Interface Design / 2019

Designed and built websites containing data for hospital renovation consultations
Utilized usability best practices and contemporary styles to improve site UI and UX
Produced consistent design specifications for upcoming sites

+ Harvest Profit / Fargo, ND

Product Design / 2018 – 2019

Crafted high-fidelity prototypes and pixel-perfect mockups for upcoming features, outpacing engineering team
Built comprehensive style library for web and mobile apps, improving consistency and accessibility
Provided oversight on most projects, ensuring high-quality deliverables
Presented concepts and experimental interfaces to team members
Streamlined web SaaS UX with a focus on usability and efficiency

+ Swanson Health Products / Fargo, ND

Front-End Web Development / 2014 – 2018

Designed mobile search, delivery tracker, one-page checkout, user account, and e-gift card service
Mentored junior developers on code quality, interface design, and best practices to improve product quality
Coded hundreds of features, bug fixes, and improvements to eCommerce website
Promoted to Senior Front-End Developer in February 2016

Graphic Design / 2013 – 2014

Developed and designed email promotions
Designed infographics, icons, and web pages
Promoted from warehouse position, where I began with company in June 2011
