EMPLOYMENT EXPERIENCE

Web Developer & User Experience Designer · Studio North

April 2025 – January 2026 · Mandan, ND

- Delivered full-stack websites integrating CMS platforms, dynamic content, and on-page SEO best practices to improve search visibility and user engagement
- Ensured all web projects met WCAG 2.1 and ADA accessibility standards, conducting audits and implementing remediations to maintain compliance across devices
- Produced on-brand social media assets across Facebook, Instagram, and LinkedIn, supporting campaign consistency and audience growth
- Designed print-ready materials including brochures, business cards, and name tags
- Operated across disciplines, managing project logistics, internal tooling, and budget tracking to keep deliverables on schedule
- Earned a 20% salary increase within the first 30 days of employment, recognized for exceptional performance

User Interface Designer & Web Developer · Freelance

August 2019 – April 2025 · Tacoma, WA

- Designed bespoke digital assets, including websites, to boost startups' online presence
- Optimized websites for usability and accessibility to ensure inclusive user experiences

Front-End Supervisor, Service Team Member, Merchandiser · Total Wine & More

June 2023 – April 2025 (*concurrent with freelance position*) · Tacoma, WA

- Earned first promotion in less than five months with company
- Earned Total Spirits Professional certification, "Making Spirits Bright" award, Cicerone Certified Beer Server accreditation, and Class 12 Alcohol Server Permit
- Advanced to supervisor position where just 31% of supervisory roles awarded internally

User Interface & User Experience Designer · Harvest Profit

February 2018 – March 2019 · Fargo, ND (*remote from Tacoma, WA*)

- Crafted high-fidelity prototypes and pixel-perfect mockups for upcoming features
- Built comprehensive style library for apps, improving consistency and accessibility
- Oversaw projects to ensure high-quality deliverables with a user focus as top priority
- Presented experimental interfaces and prototypes to stakeholders
- Designed printed materials, such as trade show banners and an onboarding guide
- Unified user interface for software platforms, prioritizing usability and consistency

Senior Front-End Web Developer · Swanson Health Products

September 2014 – February 2018 · Fargo, ND

- Designed mobile search, delivery tracker, one-page checkout, user account, and more
- Built internal tools to assist coworkers, such as an email HTML generator for designers
- Implemented A/B testing, customer support, and SEO features
- Optimized website for responsiveness, speed, language localization, and accessibility
- Aligned cross-departmental stakeholders on competing priorities to deliver cohesive eCommerce experiences
- Participated in technical screening interviews for prospective front-end candidates
- Mentored junior developers on code quality, interface design, and other best practices
- Coded hundreds of features, bug fixes, and improvements to eCommerce website

Graphic Designer · Swanson Health Products

June 2013 – September 2014 · Fargo, ND

Promoted from Order Fulfillment Associate (June 2011 – June 2013)

- Created high-quality mockups to communicate design concepts to stakeholders
- Developed and designed promotional emails for marketing campaigns, optimizing layouts for mobile responsiveness and performance
- Designed social media graphics, ad banners, infographics, icons, and web pages aligned with brand guidelines across multiple digital platforms
